

At the end of the lesson, the student will be able to:

* differentiate airmail and surface mail; determine the cost of stamp for each type of mail in the student's country.

Let's read the dialogue!

A: Yes, ma'am?

B: How much is a **stamp** to send a letter to France?

A: **Air mail** or **surface mail**?

B: Air mail, please.

B: That'll be eighty-five cents.

A: Four stamps, please. How much is that?

B: Three dollars and forty cents.

A: There you go.
