

Dialogue

A: Hello...

B: Hi, Deborah! This is John. I'm calling
from Australia.

A: What are you doing in Australia?

B: I have **attended a conference** in Sydney this week. I
told you about this right?

A: Oh, right. **What time is it there?**

B: It's 10:00 P.M. here. How about there in
Los Angeles?

A: It's four o'clock in the morning.

B: 4:00 in the morning? Oh, I'm really sorry!

A: That's OK. I'm **awake** now.

Let's Talk

1. What time is it in your country now?
2. What other countries have you visited?
3. Why did you go in those countries?
4. Can you tell me what time is it now in those countries that you've visited?
