

Jobs Based on the type of Personality:

Many people tend to consider their personality in choosing their own career. Here are some examples of personality-based jobs.

- **Artistic type-** this type likes working with designs and patterns. (ex. Interior designers and architect)
- **Conventional type-** this type likes to follow instructions and routines (ex. An accountant and a police officer)
- **Investigative type-** like the doctors and pharmacists, they enjoy figuring out and solving problems
- **Social type -** jobs prefer to work with other people. A very good example for this are there health care providers (ex. Nurses, doctors, physical therapist).

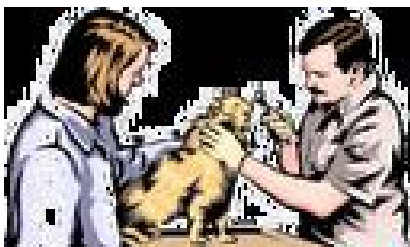

Artistic type

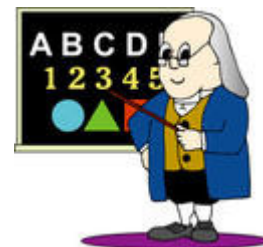

Conventional type

Investigative type

Social Type

Let's Talk

- 1) Can you think of other examples for each personality-based types of job?
- 2) Which type of job fits your personality?
- 3) Do you think having a job that fits one's personality helps a person to be successful in his/her career? If yes, how?

What do you think?

Give your opinion about each type of job by choosing the details from Column B and C.

Use the following expressions in expressing your opinion:

I think I'd be good at....

I'd be interested in

I'd enjoy....

I'm very excited by...

Career	B	C
Taking care of the elderly	Is	Pretty difficult
Writing for a magazine	Seems	Kind of boring
Earning a living as an artist	Sounds	Really rewarding
Teaching young Kids	Could be	Very challenging
Working at a bank	Must be	Fantastic
Retiring at the age of 50		Very fulfilling
